EDUCATION

2007 - 2012

Master's degree

Kherson National Technical University

- Computer system and networks

MY SKILLS

- HTML
- CSS (Bootstrap, SCSS, BEM)
- Git/GitHub
- JavaScript (Fundamentals, ES6+, DOM, JSON, Asynchronous JavaScript)
- REACT / TYPESCRIPT / REDUX

PROFILE INFO

I'm a goal oriented front-end developer with experience in creating Landing Pages and SPA, using React(JS/TS), Redux, HTML & CSS. Now I am improving my skills in this direction and expanding them with new technologies.

Interested in finding a position (opportunity to work remotely) where I can use and improve my professional skills.

My Language

- Ukrainian
- Russian
- English - A2 (in process)
